Document: no. 2

Notices to drivers from Clerk of the course:

2.1 In the event of inclement weather the event and racing activities shall go on. The wet race board will be displayed at the exit of the paddock to the start area. If a wet race is declared all cars on the start line must have properly working wipers. For single seaters or vehicles with no windscreens, a full face closed helmet or goggles are mandatory.

2.2 In the event of a wet race being declared all cars racing must be mounted with wet or road tyres. Kindly have at hand specifications sheet/print of your tyre model clearly indicating that it may be used in wet conditions.

2.3 No one is allowed to leave the paddock after any of the races until the clerk of the course declares the event as closed. Protest time is 30 mins after which time the official result will be declared as final. Protests are only to be brought forward in writing to the clerk of the course. Protests will be forwarded to the event stewards who will communicate their final decision in a timely manner. The stewards's decision is final and not appealable.

2.4 The organiser reserves the right to conduct checks on any of the participating vehicles at any time during the event. Refusal will result in immediate disqualification.

2.5 Reminder that as per technical guidelines , all cars must have a minimum 2kg fire extinguisher mounted in a position that is accessible by the driver whilst strapped. Disposable type or extinguishers without gauge are not acceptable. Remember that you are strapped inside an enclosed high risk area. Safety pins must be removed and extinguisher must be mounted in way to allow for quick release/deployment.
